About our Props & Services

OUR COLLECTION

Fancy styling your own Wedding? We provide a fantastic range of props and equipment which are tailored to rustic/ boho themed weddings & events. You can simply hire from our beautiful collection and style the venue yourself. We will drop off the props at your convenience and then uplift them after the Wedding. We do a FREE zoom styling consultation as part of your booking.

We also have a full Design & Sourcing package which includes installation & packing, which is available on request. And we offer On-Day Coordination too.

Worried about the Scottish weather? Our Stretchtent gives you the perfect wet weather back up plan, enabling your ceremony to happen in your dream outdoor location, whatever the weather. The Stretchtent can also be used as an outdoor dining space complete with luxury tables, chairs and dancefloor, creating a magical setting for your first dance.

We pride ourselves on being sustainable, with most of our signage and props being UPCYCLED and personalised to each couple and therefore virtually no waste!
